PHAM DINH KHOI

PERSONAL INFORMATION

Date Of Birth: July 19, 1999

Address: Tan Phu District,
Ho Chi Minh City

Email: mkgketban123@gmail.com

Phone Number: 0356936816

EDUCATION

Bachelor's degree in Computer Science with good from Ho Chi Minh City University of Science.

ACTIVITIES

3 years of experience working as a web developer at Primelabo company.

SKILLS

Programming language: I understand well know Php, JavaScript. I also work with Jquery, Nodejs (ExpressJs).

Framework: My strongest framework are Laravel & VueJs.

Source control : Git

Task control: Clickup

Others: Docker, Mysql, AWS Quicksight.

PROJECTS HAS WORKED ON

Next Career App: We utilized Laravel & VueJs for our project. The features I have implemented & maintanced include:

- Authentication (login, logout, register, and account setup).
- Manage user posts, admin post articles.
- Using API from third party (PORTER):
    - Manage the jobs of the third party.
    - Users register for an interview schedule.

o   Admin manages information of 3rd party users .

Uscraftbeer Stamprally Web App: The project to manage stamp owners, the number of stamps each person owns, and when enough, exchange gifts. The features I have implemented include (InertiaJs):

+ Authentication, pagination.

+ Ranking of stamp holders, manager stamp, scan QR code to receive the stamp..

Kisoji Data Platform: The project involves creating statistical charts, analyzing data on Quicksight AWS, and displaying them on the website
